Matrix

fiveyear
warranty

Drive your way.™

freedom

Starting a new family or planning to take the grandchildren out for the day? The Matrix can accommodate any situation.

Cleverly designed with assistance from Italian automotive designers Pininfarina, the Matrix looks as good as it feels.

The Matrix is a mini MPV that looks and drives like a small hatchback. The style, safety and youthful appearance of the Matrix will allow you all the freedom you need.

performance

The Matrix has an elevated driving position and exceptional visibility, ensuring that you get a clear outlook on the road ahead.

Body coloured door mirrors and bumpers, and alloy wheels, make the Matrix young at heart.

So whether your Matrix will be doing the school run, being a family taxi, around town runabout or seeing you through your retirement, you and your passengers will travel in safety and comfort.

Front Headlight

15" GSI Alloy Wheel

15" CDX Alloy Wheel

Sunroof (1.8 CDX only)

High Mounted Brake Light

tailored

Leather Trim (on CDX)

Luggage Net and Hook

The Matrix has more space than you could have thought possible in such a compact car, complemented by a level of quality and equipment that will leave you pleasantly surprised.

Front and side airbags, ABS, electric heated door mirrors, electric windows, central locking, air conditioning and a stereo RDS radio/CD player make up just some of the standard equipment. With these features, the Matrix represents great value for money.

The versatility of the Matrix allows you plenty of load carrying space. Considered design and a choice of seating positions including the slide and recline facility of the rear seats and the 60/40 split, allow you to create an even larger interior for yourself and your passengers.

dazzle

To complement the European styling, in conjunction with Pininfarina, we offer you solid, metallic and mica colour options.

Samba Red (Solid)

Ebony Black (Solid)

Moderate Silver (Metallic)

Stone Black (Mica)

Milky Silver (Mica)

Shimmer Blue (Metallic)

Moonlight Blue (Metallic)

A metallic finish is achieved by adding aluminium flakes to the paint and then applying a coat of clear lacquer. The mica finish adds an extra depth of lustre with the inclusion of mica particles in the paint layer.

†The results given above do not express or imply any guarantee of fuel consumption of any model to which this brochure refers. The driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will all affect its fuel consumption.
**Applies to fully laden vehicle. For driver only weight please consult your Hyundai dealer.

*g/km = grams of emitted substance per kilometre travelled. CO₂ = carbon dioxide;
HC = hydrocarbons; NO_x = nitrogen oxide; * = Common Rail Turbo Diesel;
* = Please check with your dealer to determine the technical specification of your car during the transition between Euro III and Euro IV engines. ♦ = Auto available in 5 door version only.

covered

Boasting high specification, the Matrix reflects Hyundai's ongoing commitment to quality, performance, safety and value for money.

A selection of customer options are available including satellite navigation (Smartnav™), privacy glass, DVD multimedia system, leather seats and door trim and body coloured reversing sensors.

For further information please refer to the Customer Options brochure or ask your dealer.

To cap it all, we offer all of our customers the following:

- **Unique Hyundai Five Year Warranty***
- **Fully transferable and manufacturer backed**
- **3 years' RAC cover**
- **6 Years' Anti-perforation Warranty**

No other manufacturer provides such an extensive package that truly provides worry-free motoring.

* Limitations apply to vehicles used for private hire and commercial use. See your dealer for details.
